Conference Chairmen

“I would like to strengthen the bond between clinicians and researchers so that challenges in clinical practice can lead to relevant research questions. Then we will be able to put research data to use in clinical settings for the best possible patient care.”

Dr. Gary Deng, MD, PhD
Medical Director, Integrative Medicine Service
Memorial Sloan Kettering Cancer Center, New York, USA

“Participants can look forward to discovering and discussing exciting new results about the role of nutrition, herbs, mind-body medicine, and much more, in an inspiring atmosphere.”

Prof. Dr. Roman Huber, MD
Centre for Complementary Medicine,
University Hospital Freiburg, Germany
